# PUT INFORMATION AND CONTROL IN YOUR PATIENT'S HANDS.

If improving the patient experience through safe, convenient tablet use is among your organizational goals, GCX has the solution to make it happen--including an industry-first, over-bed table with integrated tablet mount that earned a top award in healthcare product innovation.

Tablet-mounting solutions for patient engagement help deliver apps and other on- and offline tools so patients can be more involved in their healthcare and stay connected with families and friends. By improving tablet usage, hospitals can deliver a more satisfying overall patient experience.
